THE HBO ORIGINAL MOVIE/JULY

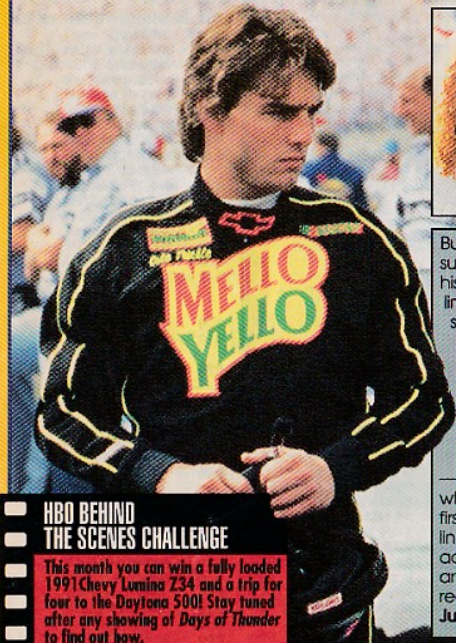

Based on a true story
Starring
DENNIS HOPPER

He was the government's best weapon
in the war on drugs until he was

DOUBLE CROSSED

From the front lines of the war on drugs comes this explosive true story of danger, betrayal and death. Dennis Hopper (*Blue Velvet*) gives a powerhouse performance as Barry Seal, a "businessman" tangled up with the notorious cocaine lords of Colombia. When Washington corners him, Seal turns federal witness against the cartel—but who are the good guys? The stakes climb when Oliver North and the CIA become involved, just as it really happened. (A) 1:52. July 20, 22, 25, 28, 31 □

Tom Cruise

Buckle up for a wild ride with superstar Tom Cruise as he takes his car—and his heart—to the limit on the stockcar racing scene. The director of *Top Gun* turns on the juice when Cruise takes the wheel as Cole

Trickle, a cocky newcomer who needs all the help he can get from veteran manager Robert Duvall. Cole has his eye on the Daytona —and the gorgeous doctor who patches him up after his first heart-stopping crash. Thrilling, driver's-eye view racing action co-starring Randy Quaid and Nicole Kidman (Cruise's real wife). (AS, A) PG-13; 1:47. July 7, 11, 17, 20, 26, 30 □

HBO BEHIND THE SCENES CHALLENGE

This month you can win a fully loaded 1991 Chevy Lumina Z34 and a trip for four to the Daytona 500! Stay tuned after any showing of *Days of Thunder* to find out how.
